Welcome everyone here tonight.

We have had a great year of bridge with a lot of new members joining our group for Bridge and we also welcome our guests who have chosen to play Bridge at our club.

We have a lot of exciting things happening including our new Mentership Program. Thank you for support the club this year.

This year the campaign to raise funds for the Alzheimers Association was a huge success and we were recognized nationally for our \$40,000 donation. Tonight we are pleased to to invite representatives from the Association up to make a presentation to our Club.
